

**REMARKS**

The following is responsive to a Quayle Action dated December 12, 2007.

Claims 1-27 are now pending in the present application. Claim 23 has been amended to address a minor typographical issue. In view of this response, a Notice of Allowability is respectfully solicited.

The Office raises an objection to the drawings because they fail to show various features recited by Claim 28. Claim 28 is hereby canceled. Accordingly, any issue with this claim is now moot.

Respectfully submitted,

/Robert J. Smith/
